

EUROPEAN TECHNOLOGY & INNOVATION
PLATFORM ON WIND ENERGY

Executive Committee meeting

Agenda

- Welcome
- 2019 Work Programme
- Consolidation of Trondheim workshop findings
- Technology Roadmap
 - Narrative & structure
 - Impact criteria
 - Implementation
 - Task forces
- Preview of workshop on indirect electrification
- AOB
- Lunch

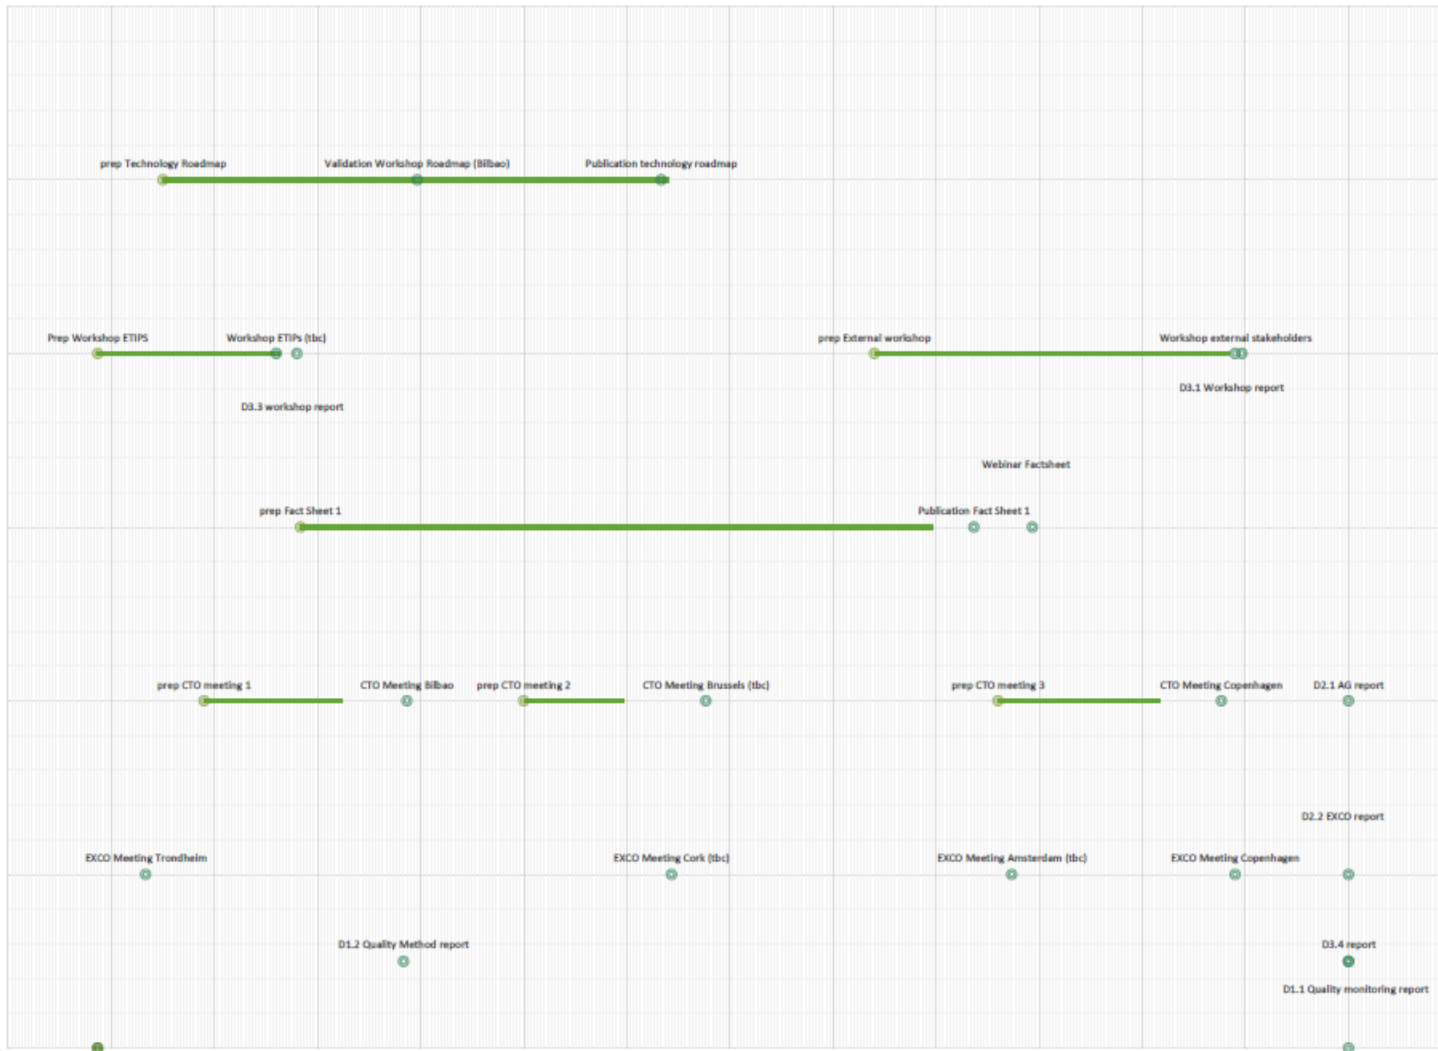

EUROPEAN TECHNOLOGY & INNOVATION
PLATFORM ON WIND ENERGY

2019 Work Programme

etipwind.eu

2019 Work Programme (1)

2019 Work Programme (2)

- 15/01 – Kick-off (Trondheim)
- 21/02 – workshop (Brussels)
- *XX/03 – Telco*
- 04/04 – Validation workshop (Bilbao)
- *XX/04 – Telco*
- *XX/05 – Telco*
- 18/06 – Meeting (Cork)
- 30/06 – Technology Roadmap publication
- *XX/09 – Meeting (tbc)*
- 15/09 – Factsheet 1 publication
- *XX/11 – meeting (Copenhagen)*
- *XX/11 – Workshop (Copenhagen)*

2019 Work Programme (3)

Technology Roadmap timeline

EUROPEAN TECHNOLOGY & INNOVATION
PLATFORM ON WIND ENERGY

Consolidation of Trondheim workshop findings

etipwind.eu

Summary of the changes

- Non technical barriers moved from the tables to separate “paragraphs”
- Changes based on comments are in **RED**
- Decreased overlap between pillars (**MOVED**)
 - “next generation technologies” and “system integration”
 - “next generation technologies” & “O&M”
- Rephrase “priority” with “criticality”
- Discussion open for changes in **RED** only
