

EUROPEAN TECHNOLOGY & INNOVATION
PLATFORM ON WIND ENERGY

Executive Committee meeting

February 2021

etipwind.eu

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 826042

This report has been produced with support of the European Commission. The views represented in the presentation are those of its authors and do not represent the views or official position of the European Commission.

Alexander Vandenberghe

Advisor Research and Innovation

Raquel Aleman

Project Assistant

Competition compliance reminder

WindEurope and its members are committed to full and fair competition, and neither WindEurope nor its activities, working groups or task forces shall be used in any way inconsistent with relevant competition laws. In order to promote the compliance with these laws, WindEurope has adopted this Competition Compliance Policy in which the basic rules for competition compliance are set out.

TIMING	AGENDA ITEM	SCOPE
10:00 – 10:05	Introduction and welcome By Adrian Timbus, Executive Committee Chair	For information
10:05 – 10:30	Updates from the ETIPWind secretariat <ul style="list-style-type: none"> ETIPWind communication (10') 2021 work programme (15') 	For information
10:30 – 11:15	ETIPWind Flagship report 2021 By Daniel Fraile, WindEurope	For discussion
11:15 – 11:40	Public funding for wind energy 2020-2021 By ETIPWind secretariat	For discussion
11:40 – 11:50	Overview of wind energy events in 2021 <ul style="list-style-type: none"> EERA JP Wind EAWE WindEurope 	For information
11:50 – 11:55	AOB	For discussion
11:55 – 12:00	Closing remarks By Adrian Timbus, Executive Committee Chair	For information

Recap last actions: EXCO meeting 03 December

- Action for the Secretariat

- ✓ ETIPWind Communication

- To explore feasibility of developing short videos and audio-content
 - To review how to engage with ETIPSNET

- ✓ R&I messaging on wind energy

- To share latest development -> HEU
 - To send a monthly email with updates on EU R&I policies

- ✓ Noise propagation

- Internal coordination ongoing

- ✓ Lighthouse Initiative

- To be started

- ✓ State Aid guidelines

- Actions taken

- Action for the members

- ✓ Communication

- Share relevant materials on wind energy R&I

- ✓ Noise propagation

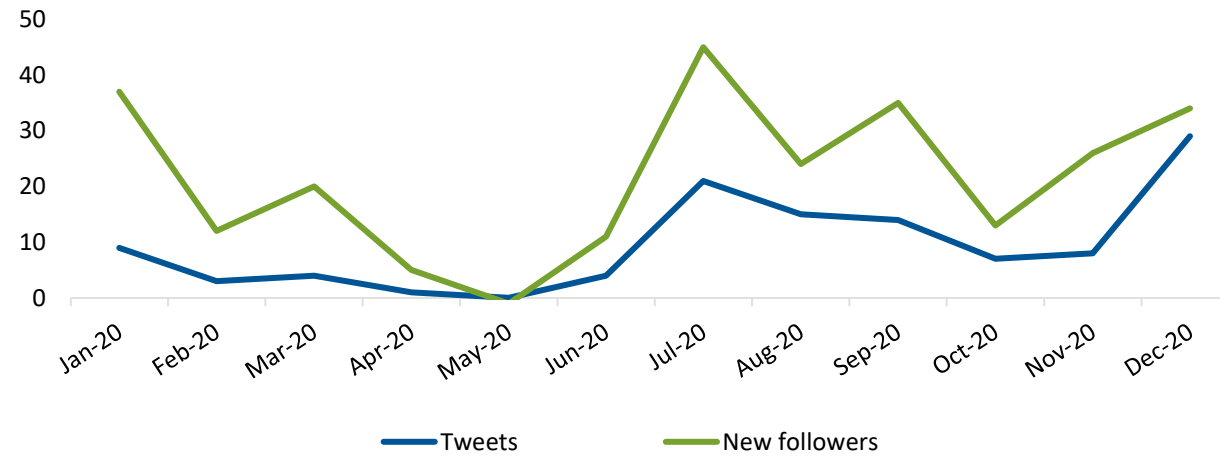

- EERA will provide an overview of the latest noise research from the research community

Updates from the ETIPWind Secretariat

ETIPWind Communication Strategy - TWITTER and LINKEDIN

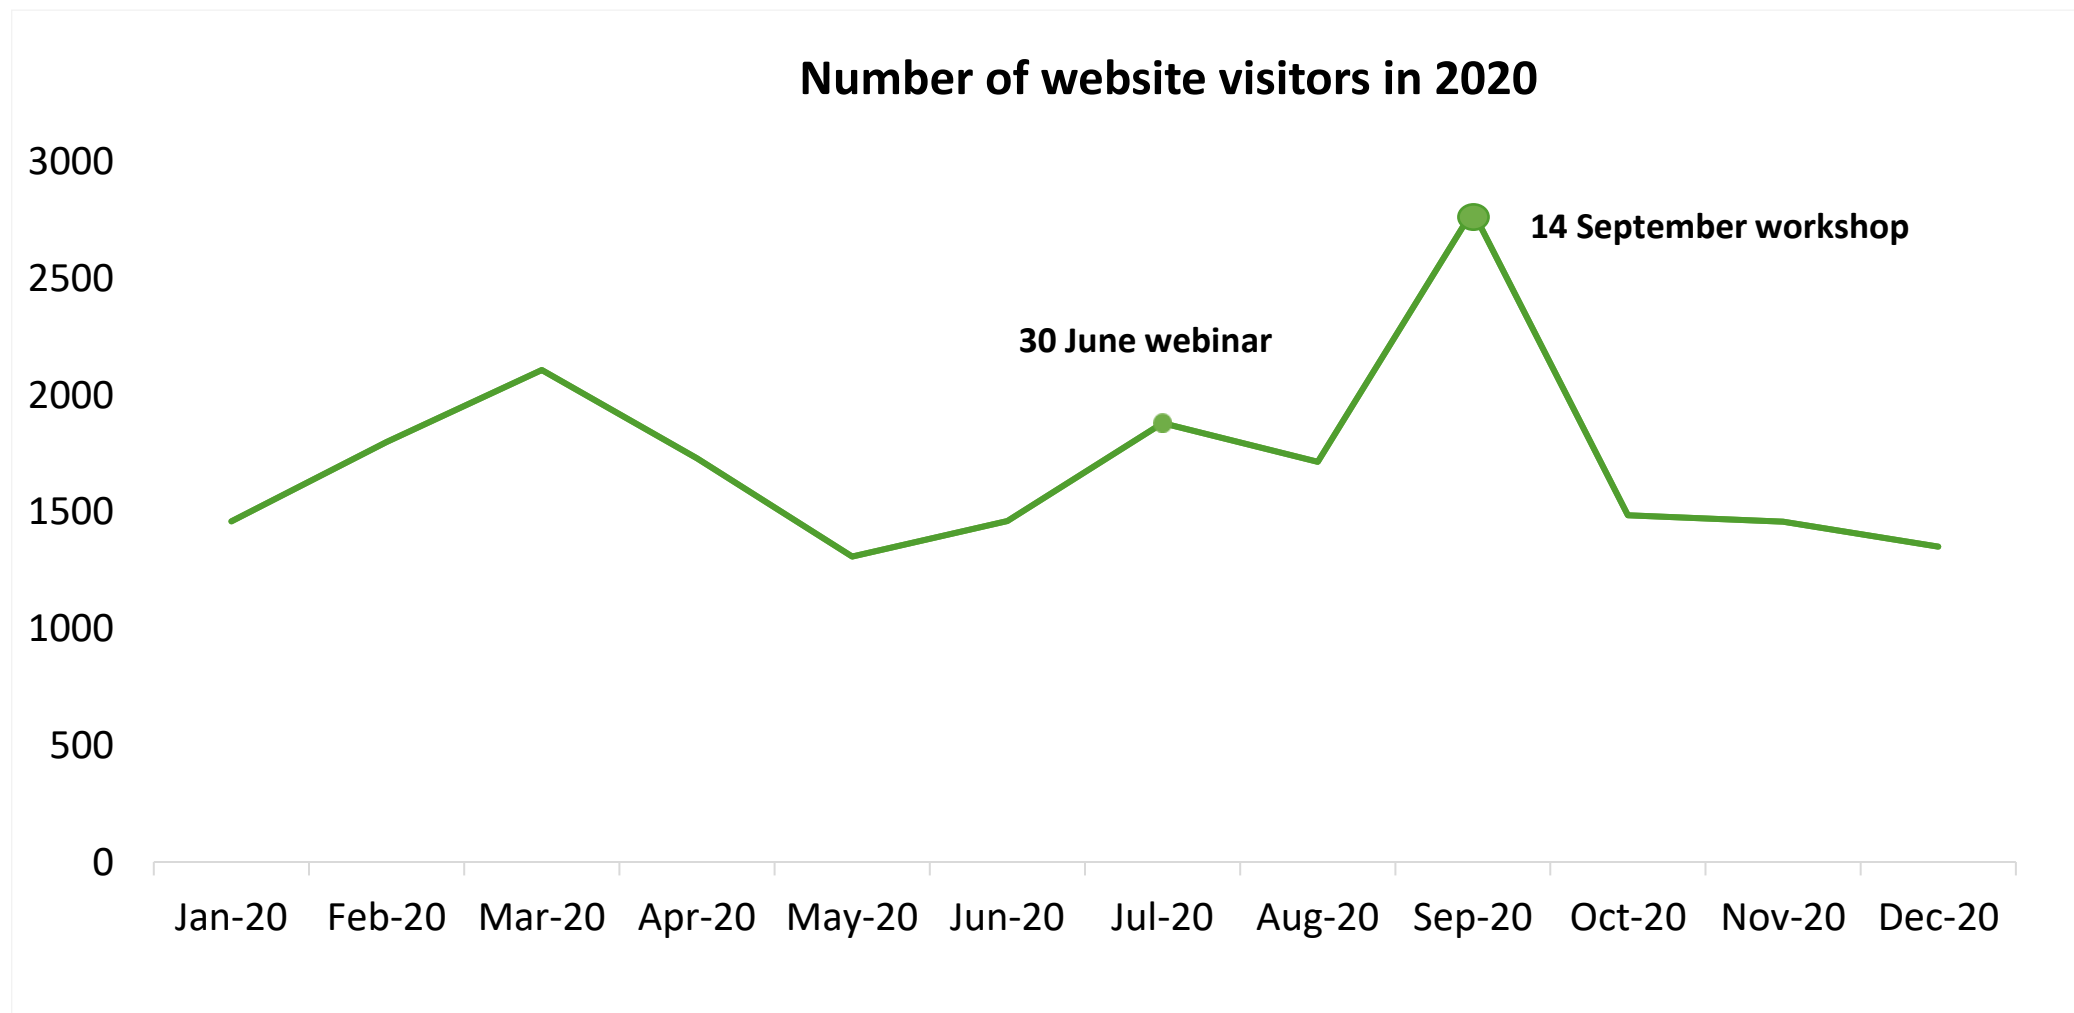

ETIPWIND tweets and new followers

ETIPWind LinkedIn posts and new followers

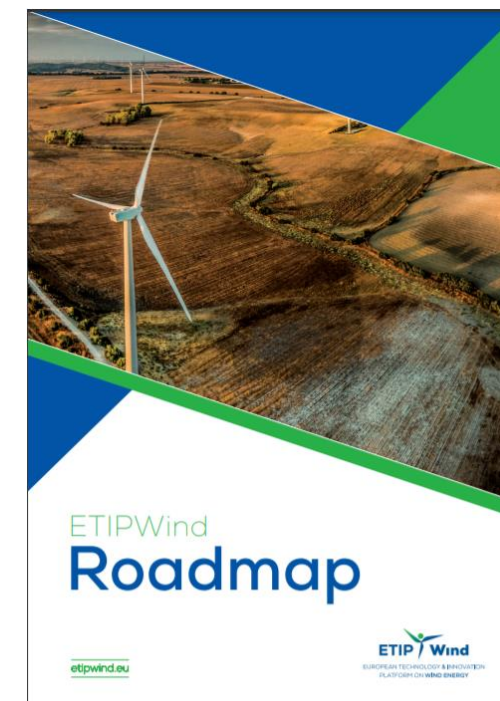

ETIPWind Communication Strategy – WEBSITE

The impact of ETIPWind in 2020

- ✓ Three references of ETIPWind publications in official documents from public authorities
 - Report from the Commission to the European Parliament and the Council on progress of clean energy competitiveness
 - Commission Staff Working document – Clean Energy Transition – Technologies and Innovations (part 1/5 and 4/5)
- ✓ 11 external presentations → 1,482 total audience
- ✓ 11 references in research papers and articles
- ✓ ETIPWind members participated in seven high-level events/sessions

The impact of ETIPWind in 2020

✓ Webinar -> Floating offshore wind: delivering climate neutrality

✓ Workshop -> R&I to deliver 450 GW of offshore wind

Work Programme 2021

Work Programme 2021 – Changes

✓ 'Electric City' report: now due in June

- Electric City event postpone to 23-25 November
- Report to be launched at ETIPWind event (June-July tbc)

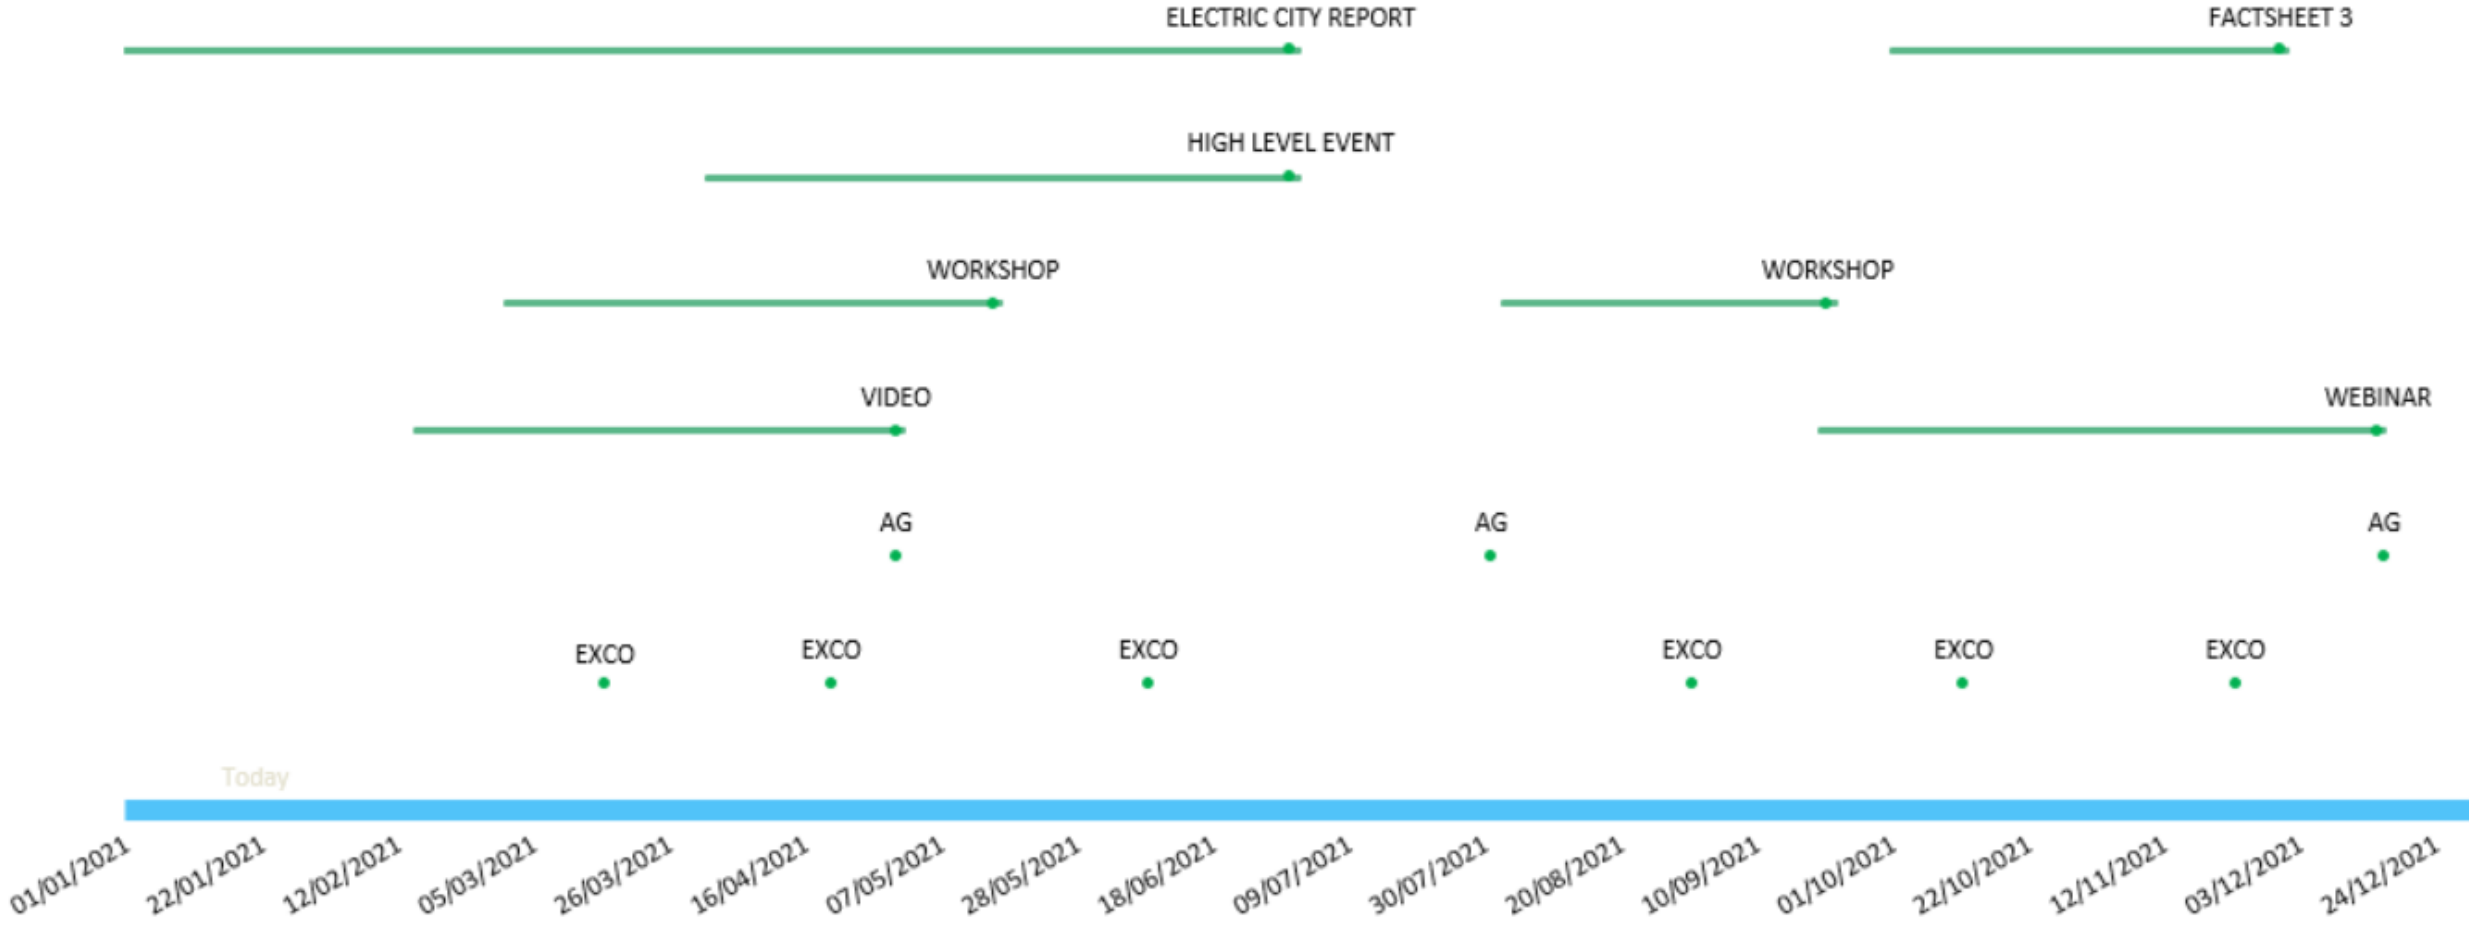

✓ Workshop 1: due in May

- In collaboration with WindEurope Working Group Sustainability
- On sustainability and recycling roadmap

✓ Factsheet: due in November

- Prep workshop in September
- Webinar in November-December
- Launch at Electric City?

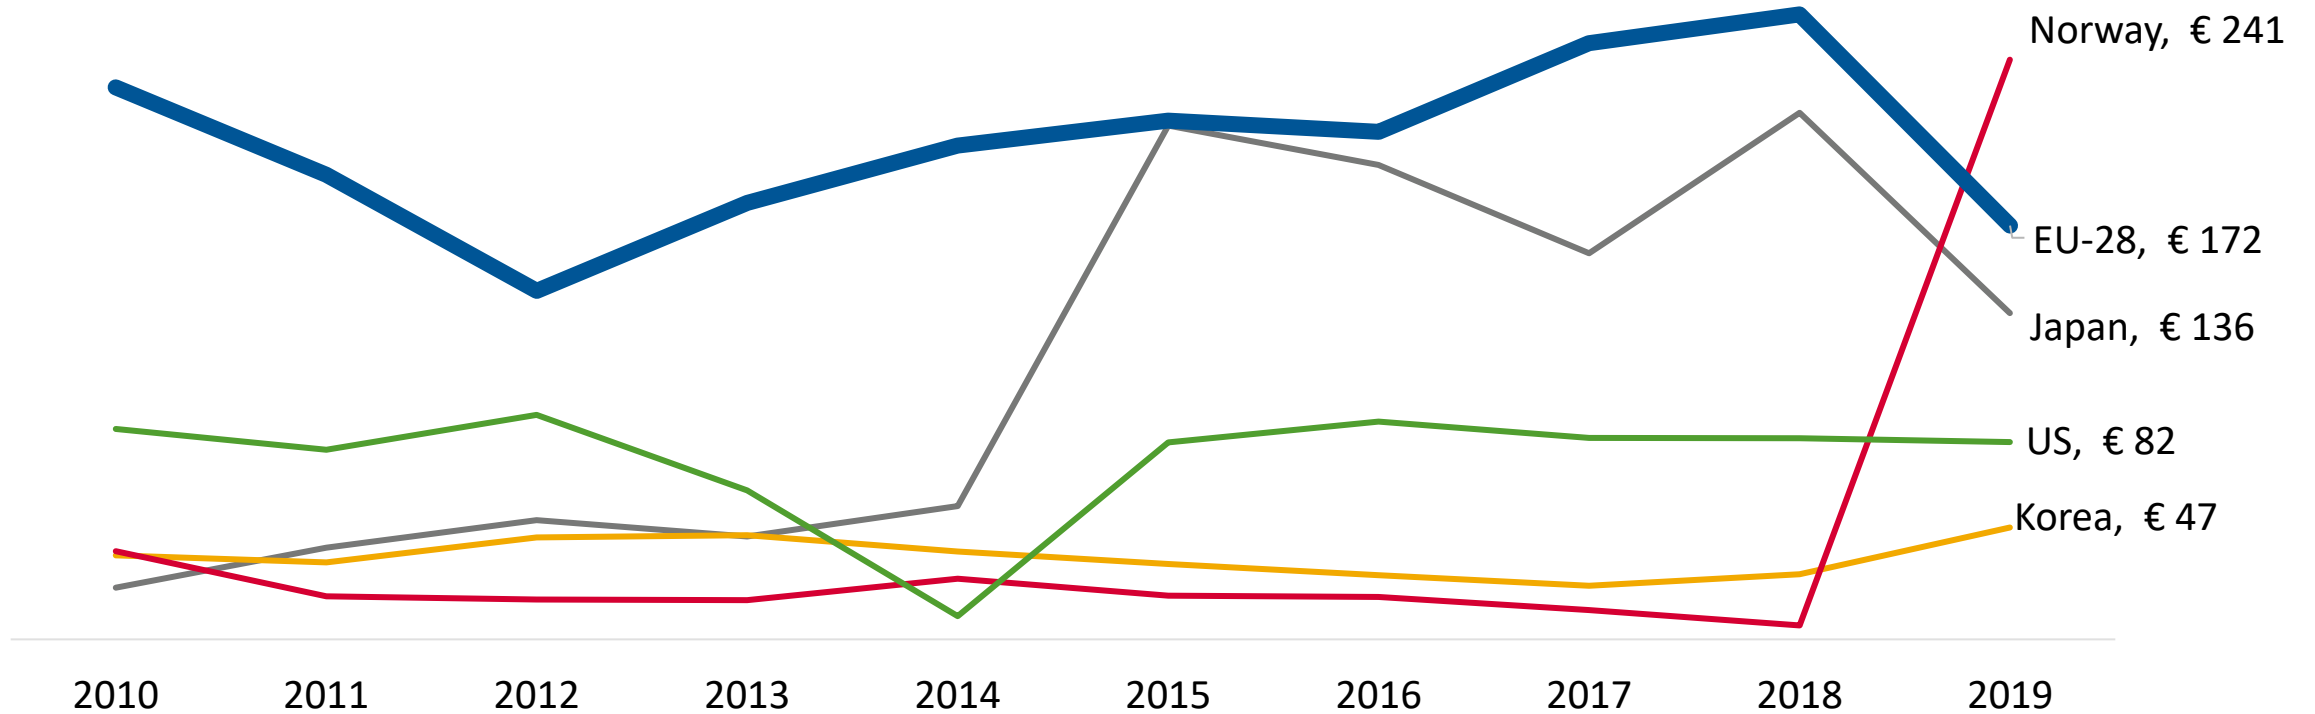

2021 Work Programme

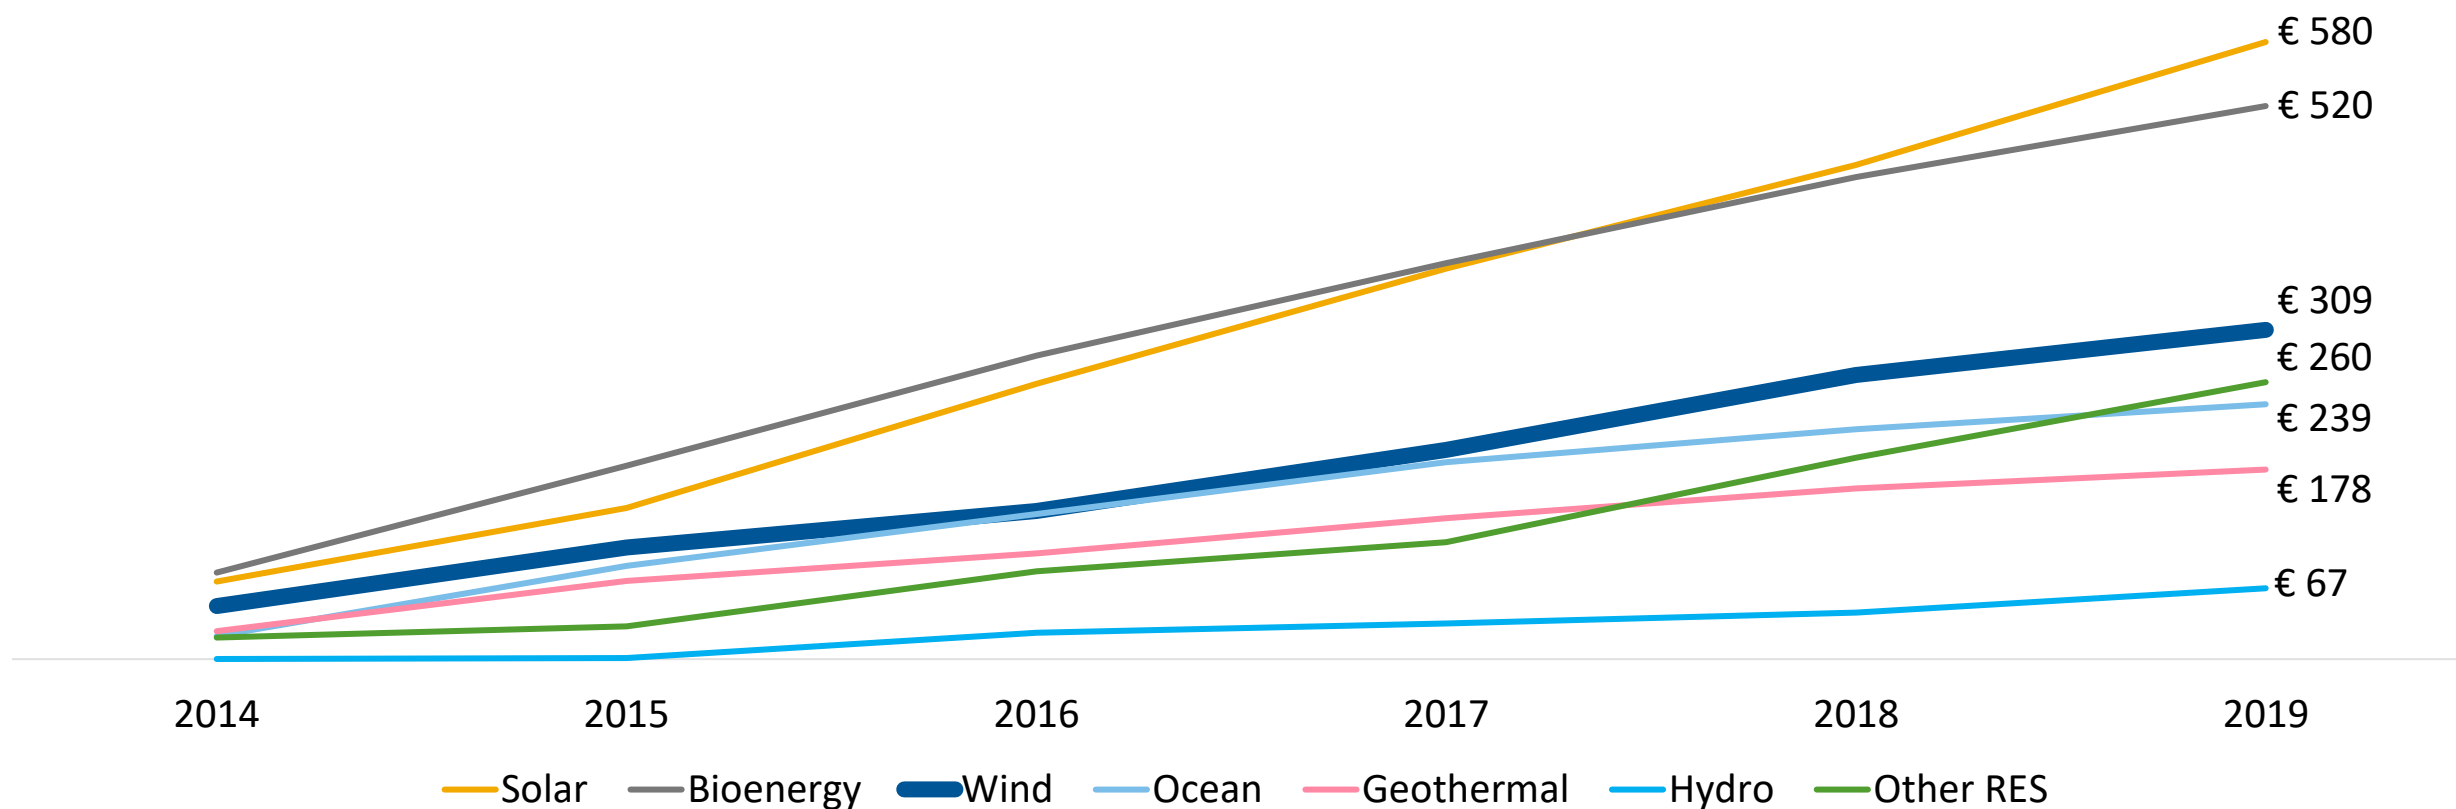

ETIPWind Flagship report 2021

Public funding for wind energy 2020-2021

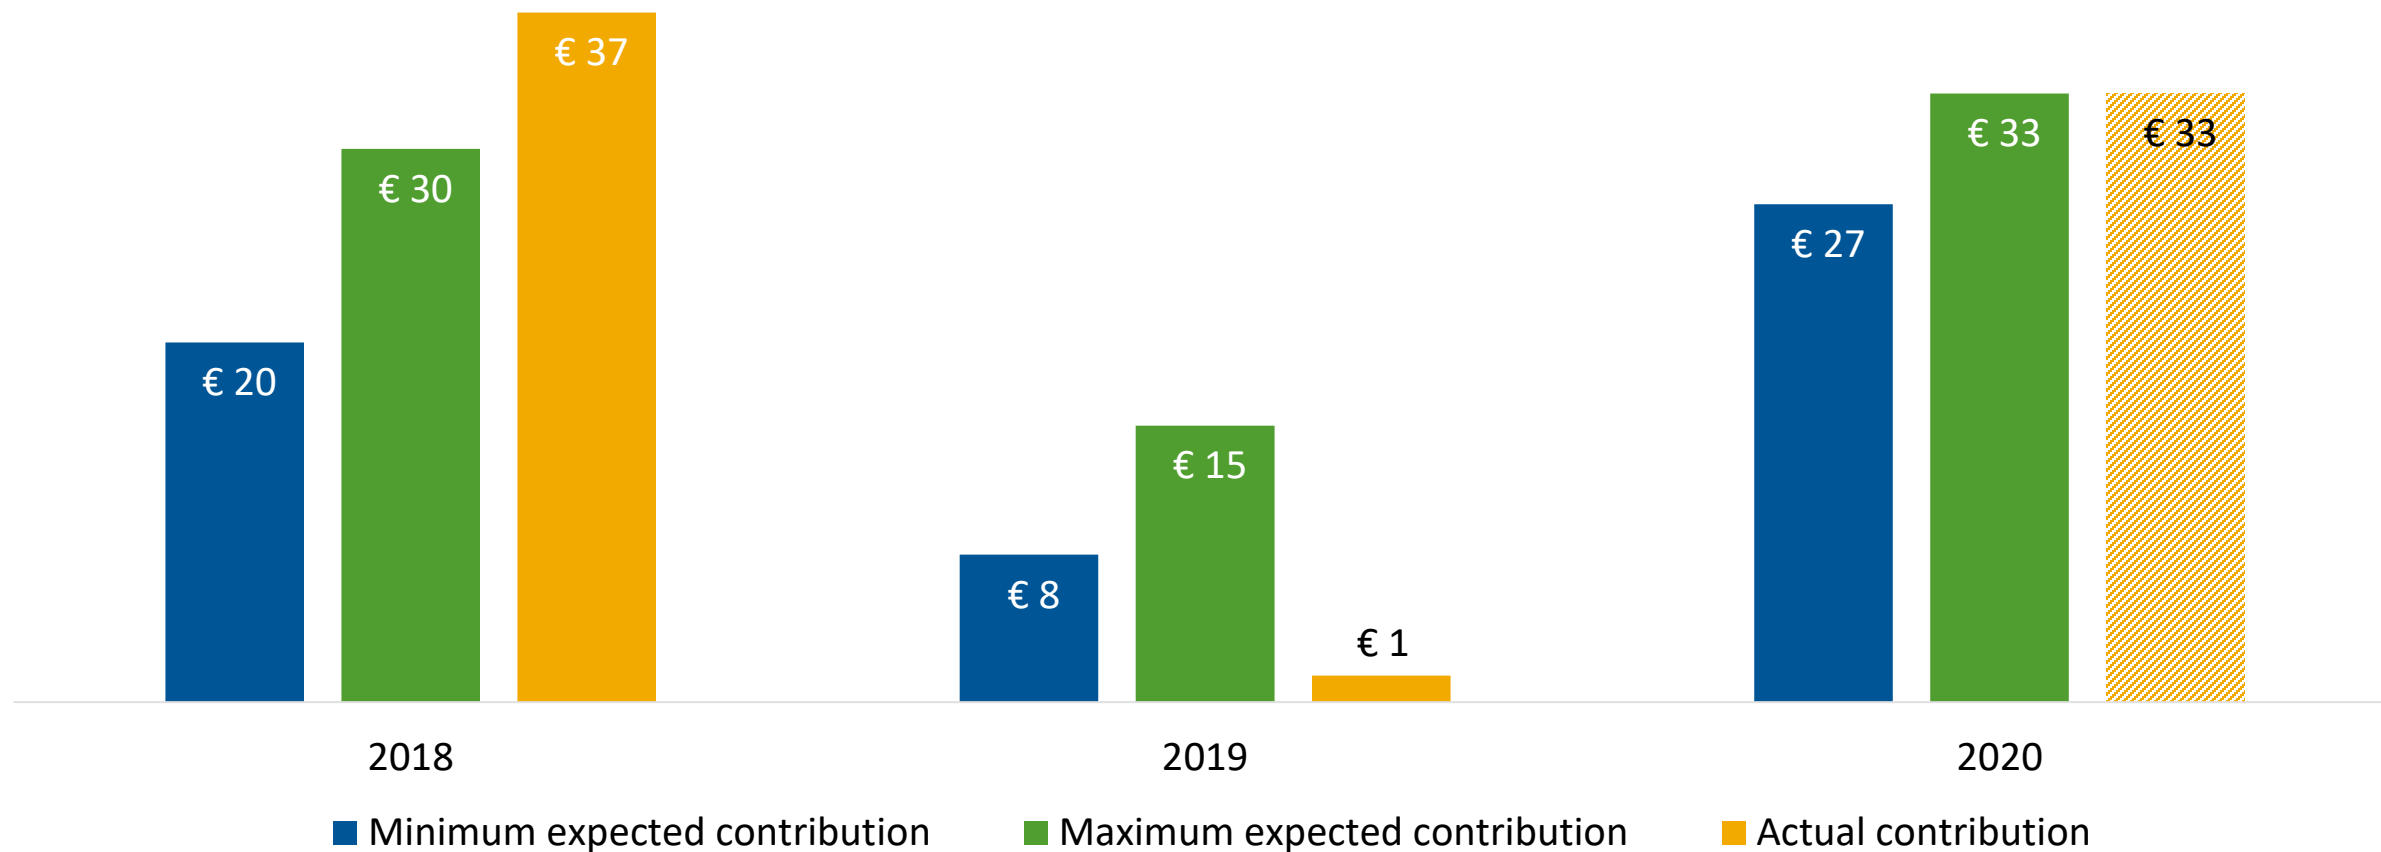

Global public funding for wind energy research & innovation (in € million, 2019 prices)

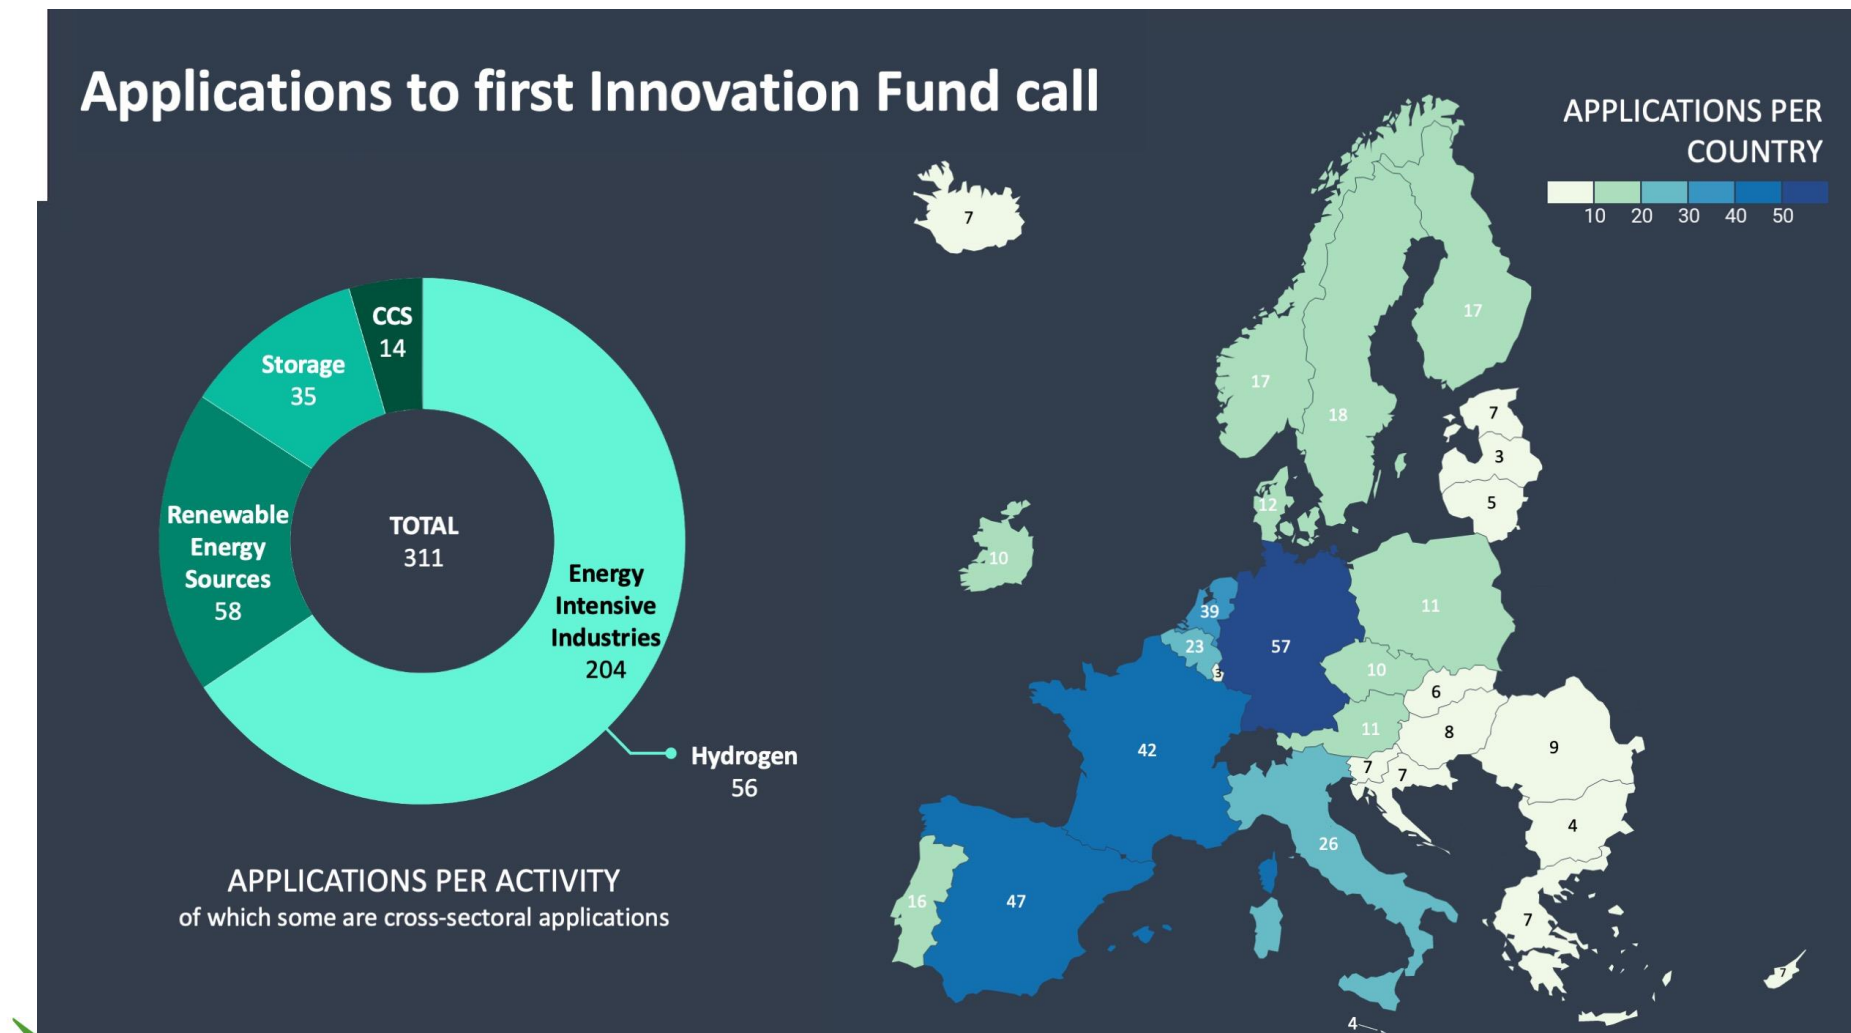

Cumulative EU funding for research in renewables (in € million, 2019 constant prices)

Wind energy funding in H2020 work programme '18-'20 on Energy (in € million)
